### **Health Hub Doctors Morayfield – Vaccination Clinic**

MORAYFIELD, QUEENSLAND – As of November 30<sup>th</sup> 2021, Health Hub Doctors Morayfield has administered over 90,000 COVID-19 vaccines, this is more than any other facility in the Metro North area. The Vaccination Clinic at Health Hub Doctors Morayfield can administer up to 2000 vaccinations per day.

Throughout the pressures of the pandemic, Health Hub Doctors Morayfield has continued to implement services, respond rapidly to community demands and acted quickly to combat the challenges of the virus.

Health Hub Doctors Morayfield operates a streamlined and progressive vaccination clinic operated by highly trained doctors, nurses and medical staff. Staff are committed to providing patients with the most up to date information based on the health advice from state and federal governments that align with current COVID-19 regulations.

As the challenges of the COVID-19 virus continue to arise, Health Hub Doctors Morayfield are committed to supporting the local community. To ensure the safety of patients, all staff throughout the practice are fully vaccinated and rigorously uphold all mandated government regulations.

Our aim is to administer 100,000 vaccines by the end of this year, and we ask the community for their assistance to achieve this goal.
